Harvard Sustainability Pledge

My greenhouse gas commitment

I, the undersigned, pledge to support Harvard University's efforts to reduce its greenhouse gas emssions and overall environmental impacts. I will take at least **3 new actions** listed beside my name on a regular basis.

Please write *legibly,* so that your pledge can count!!

Check all that apply!

Name	Email	Building or House	Set sleep mode on my computer and monitor	Adjust thermostats	Turn off lights and unplug chargers	Use compact fluorescent bulbs	Wash clothes in cold or warm water	Walk, bike, or take the T	Take the stairs	Choose local, seasonal produce	Buy organic	Eat less meat	Reduce food waste in the dining hall	Use a reusable mug and dishes	Buy recycled paper	Double-side all copies and print jobs	Reduce. Reuse. Recycle	Drink tap water, not bottled	Don't leave the tap running	Take shorter showers

Thanks for pledging to reduce your environmental impact!
Let's reach 50% participation!!
